What Do You Know About Us?

Ultimate Solutions ICT Consultancy Service PLC (Ultimate Ethiopia) is the Ethiopian branch of Ultimate Solutions, a global leader in enterprise software since 1993. Operating in over 48 countries and built on Oracle Database, we deliver localized, industry-specific solutions that drive digital transformation and lasting client success.

CONTINUE

Mission

To deliver world class ERP, management, and specialized software solutions to Ethiopian public and private institutions, while ensuring continuous support, localization, and value creation.

Vision

To be Ethiopia's trusted partner in digital transformation, empowering organizations with robust, integrated systems that drive efficiency, transparency, and growth.

Core Values

Integrity

We adhere to the principles of honesty, fairness, and transparency to build long-term trust relationships with clients and partners.

Innovation

Encourage the team to continuously explore new technologies and methods to provide unique solutions for clients.

Quality

Pursuing excellence is our goal, and we are committed to doing our best in every task.

Customer Centricity

We believe in making sure the customer's needs are met to the highest quality our world class services have to offer.
